charges, telephone charges, television broadcast reception fees, and other usage charges, and provision of information relating thereto; collection agency services by account transfer at financial institutions; collection agency services and intermediary services for payments; provision of information relating to collection agency services and intermediary services for payments; agency, brokerage, or intermediary services for the collection and delivery of cash; provision of information relating to the collection and delivery of cash; provision of information relating to stock market conditions; buying and selling transactions of, and brokerage or intermediary services for, golf club memberships, sports club memberships, resort club memberships, or membership hotel memberships, and provision of information relating to such buying and selling; provision of information relating to stock market conditions and the buying and selling of securities; brokerage or intermediary services for the buying and selling of telephone subscription rights; agency for the conclusion of non-life insurance contracts; agency, brokerage, or intermediary services for the conclusion of non-life insurance contracts; intermediary, brokerage, or agency services for the conclusion of insurance contracts; provision of information relating to the conclusion of life insurance contracts and non-life insurance contracts; brokerage, agency, or intermediary services for the conclusion of automobile insurance contracts, or provision of information relating thereto; brokerage or intermediary services for the conclusion of travel accident insurance contracts; agency, brokerage, or intermediary services for the conclusion of insurance contracts relating to medical care; agency, brokerage, or intermediary services for the conclusion of accident insurance contracts or liability insurance contracts; provision of information relating to life insurance, medical insurance, non-life insurance, and other insurance; building management; agency, brokerage, or intermediary services for the buying and selling or leasing of land and buildings; provision of information on buildings or land; provision of information relating to the leasing or buying and selling of land and buildings; brokerage or intermediary services for the buying and selling of antiques and works of art; provision of information relating to the buying and selling of antiques and works of art; investigation relating to the creditworthiness of enterprises; provision of information relating to the creditworthiness of enterprises; charitable fund-raising, or provision of information relating thereto; rental of banknote and coin counting machines; rental of cash dispensers and automated teller machines; rental of money exchange machines; brokerage or intermediary services for the rental of banknote and coin counting machines, cash dispensers, automated teller machines, and money exchange machines; provision of information relating to the rental of banknote and coin counting machines, cash dispensers, automated teller machines, and money exchange machines; rental of settlement machines for prepaid cards; brokerage or intermediary services for the rental of settlement machines for prepaid cards; provision of information relating to the rental of settlement machines for prepaid cards

Class 37

Installation work for fire alarms, sprinklers, and other firefighting equipment; installation work for burglar alarms and other crime-prevention equipment; installation work for fire-extinguishing equipment and evacuation guidance equipment; other construction work; brokerage or intermediary services for installation work for fire alarms, sprinklers, and other firefighting equipment; brokerage or intermediary services for installation work for burglar alarms and other crime-prevention equipment; brokerage or intermediary services for installation work for fire-extinguishing equipment and evacuation guidance equipment; brokerage or intermediary services for other construction work; provision of information relating to installation work for fire alarms, sprinklers, and other firefighting equipment; provision of information relating to installation work for burglar alarms and other crime-prevention equipment; provision of information relating to installation work for fire-extinguishing equipment and evacuation guidance equipment; provision of information relating to other construction work; brokerage or intermediary services for the execution of disinfection measures and pest-intrusion prevention measures inside and outside buildings; provision of information relating to the execution of disinfection measures and pest-intrusion prevention measures inside and outside buildings; advice relating to building construction work; operation, inspection, and maintenance of building equipment; brokerage or intermediary services for the operation, inspection, and maintenance of building equipment; provision of information relating to the operation, inspection, and maintenance of building equipment; remote monitoring of the operating status of building equipment; brokerage or intermediary services for the remote monitoring of the operating status of building equipment; provision of information relating to the remote monitoring of the operating status of building equipment; repair or

maintenance of fire-extinguishing equipment, evacuation equipment, and other firefighting equipment; brokerage or intermediary services for the repair or maintenance of fire-extinguishing equipment, evacuation equipment, and other firefighting equipment; provision of information relating to the repair or maintenance of fire-extinguishing equipment, evacuation equipment, and other firefighting equipment; repair or servicing of automobiles; brokerage or intermediary services for the repair, servicing, and modification of automobiles and motorcycles; provision of information relating to the repair, servicing, and modification of automobiles and motorcycles; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of optical machines and apparatus; repair or maintenance of photographic machines and apparatus; brokerage or intermediary services for the repair or maintenance of cinematographic, optical, and photographic machines and apparatus; provision of information relating to the repair or maintenance of cinematographic, optical, and photographic machines and apparatus; repair or maintenance of cargo handling machines and apparatus; brokerage or intermediary services for the repair or maintenance of cargo handling machines and apparatus; provision of information relating to the repair or maintenance of cargo handling machines and apparatus; repair or maintenance of fire alarms, sprinklers, and other firefighting equipment; brokerage or intermediary services for the repair or maintenance of fire alarms, sprinklers, and other firefighting equipment; provision of information relating to the repair or maintenance of fire alarms, sprinklers, and other firefighting equipment; repair or maintenance of burglar alarms and other crime-prevention equipment; brokerage or intermediary services for the repair or maintenance of burglar alarms and other crime-prevention equipment; provision of information relating to the repair or maintenance of burglar alarms and other crime-prevention equipment; repair or maintenance of lifesaving apparatus; brokerage or intermediary services for the repair or maintenance of lifesaving apparatus; provision of information relating to the repair or maintenance of lifesaving apparatus; repair or maintenance of office machines and apparatus; brokerage or intermediary services for the repair or maintenance of office machines and apparatus; provision of information relating to the repair or maintenance of office machines and apparatus; repair or maintenance of heating and cooling apparatus; repair or maintenance of boilers; repair or maintenance of pumps; repair or maintenance of refrigerating machines and apparatus; brokerage or intermediary services for the repair or maintenance of heating and cooling apparatus, boilers, pumps, and refrigerating machines and apparatus; provision of information relating to the repair or maintenance of heating and cooling apparatus, boilers, pumps, and refrigerating machines and apparatus; repair or maintenance of electronic machines and apparatus; brokerage or intermediary services for the repair or maintenance of computers (including central processing units and electronic circuits, magnetic disks, magnetic tapes, and other peripheral equipment storing computer programs); provision of information relating to the repair or maintenance of computers (including central processing units and electronic circuits, magnetic disks, magnetic tapes, and other peripheral equipment storing computer programs); repair or maintenance of telecommunication machines and apparatus; brokerage or intermediary services for the repair or maintenance of telecommunication machines and apparatus; provision of information relating to the repair or maintenance of telecommunication machines and apparatus; repair or maintenance of consumer electric machines and apparatus; brokerage or intermediary services for the repair or maintenance of consumer electric machines and apparatus; provision of information relating to the repair or maintenance of consumer electric machines and apparatus; repair or maintenance of lighting apparatus; brokerage or intermediary services for the repair or maintenance of lighting apparatus; provision of information relating to the repair or maintenance of lighting apparatus; repair or maintenance of machines and apparatus for electricity distribution or control; brokerage or intermediary services for the repair or maintenance of machines and apparatus for electricity distribution or control; provision of information relating to the repair or maintenance of machines and apparatus for electricity distribution or control; repair or maintenance of measuring machines and apparatus; brokerage or intermediary services for the repair or maintenance of measuring machines and apparatus; provision of information relating to the repair or maintenance of measuring machines and apparatus; repair or maintenance of storage tanks; brokerage or intermediary services for the repair or maintenance of storage tanks; provision of information relating to the repair or maintenance of storage tanks; repair or maintenance of gas station equipment; brokerage or intermediary services for the repair or maintenance of gas station equipment; provision of information relating to the repair or maintenance of gas station equipment; repair or maintenance of mechanical parking systems; brokerage or intermediary services for the repair or maintenance of mechanical parking systems;

provision of information relating to the repair or maintenance of mechanical parking systems; repair or maintenance of vending machines; brokerage or intermediary services for the repair or maintenance of vending machines; provision of information relating to the repair or maintenance of vending machines; repair or maintenance of cash dispensers and automated teller machines; brokerage or intermediary services for the repair or maintenance of cash dispensers and automated teller machines; provision of information relating to the repair or maintenance of cash dispensers and automated teller machines; repair or maintenance of money exchange machines; brokerage or intermediary services for the repair or maintenance of money exchange machines; provision of information relating to the repair or maintenance of money exchange machines; repair or maintenance of amusement park machines and apparatus; brokerage or intermediary services for the repair or maintenance of amusement park machines and apparatus; provision of information relating to the repair or maintenance of amusement park machines and apparatus; repair or maintenance of water pollution prevention apparatus; brokerage or intermediary services for the repair or maintenance of night-soil purification tanks, purification tanks, and sewage treatment facilities; provision of information relating to the repair or maintenance of night-soil purification tanks, purification tanks, and sewage treatment facilities; repair or maintenance of water purification apparatus; brokerage or intermediary services for the repair or maintenance of water purification apparatus; provision of information relating to the repair or maintenance of water purification apparatus; repair or maintenance of waste compaction apparatus; repair or maintenance of waste crushing apparatus; brokerage or intermediary services for the repair or maintenance of waste treatment facilities; provision of information relating to the repair or maintenance of waste treatment facilities; inspection, repair, or maintenance of electric wires and cables; brokerage or intermediary services for the inspection, repair, or maintenance of electric wires and cables; provision of information relating to the inspection, repair, or maintenance of electric wires and cables; repair or maintenance of electric automatic door opening and closing apparatus; brokerage or intermediary services for the repair or maintenance of electric automatic door opening and closing apparatus; provision of information relating to the repair or maintenance of electric automatic door opening and closing apparatus; repair or maintenance of furniture; brokerage or intermediary services for the repair or maintenance of furniture; provision of information relating to the repair or maintenance of furniture; repair or maintenance of safes; brokerage or intermediary services for the repair or maintenance of safes; provision of information relating to the repair or maintenance of safes; installation, repair, or maintenance of locks; brokerage or intermediary services for the installation, repair, or maintenance of locks; provision of information relating to the installation, repair, or maintenance of locks; repair or maintenance of electric locks for security systems; brokerage or intermediary services for the repair or maintenance of electric locks for security systems; provision of information relating to the repair or maintenance of electric locks for security systems; repair or maintenance of bathtubs; brokerage or intermediary services for the repair or maintenance of bathtubs; provision of information relating to the repair or maintenance of bathtubs; laundering; pressing of clothing; brokerage or intermediary services for laundering; provision of information relating to laundering; chimney cleaning; brokerage or intermediary services for chimney cleaning; provision of information relating to chimney cleaning; cleaning of the exterior walls of buildings; window cleaning; cleaning of floor coverings; floor polishing; brokerage or intermediary services for the cleaning of exterior walls of buildings, floor coverings, and windows, and floor polishing; provision of information relating to the cleaning of exterior walls of buildings, floor coverings, and windows, and floor polishing; cleaning of night-soil treatment tanks; brokerage or intermediary services for the cleaning of night-soil purification tanks, sewage treatment facilities, and waste treatment facilities; provision of information relating to the cleaning of night-soil purification tanks, sewage treatment facilities, and waste treatment facilities; cleaning of bathtubs or bath boilers; brokerage or intermediary services for the cleaning of bathtubs; provision of information relating to the cleaning of bathtubs; road cleaning; brokerage or intermediary services for garden cleaning; provision of information relating to garden cleaning; cleaning of storage tanks; brokerage or intermediary services for the cleaning of storage tanks; provision of information relating to the cleaning of storage tanks; disinfection of telephones; brokerage or intermediary services for the disinfection of telephones; provision of information relating to the disinfection of telephones; extermination of harmful animals (excluding those relating to agriculture, horticulture, or forestry); brokerage or intermediary services for the extermination of harmful animals (excluding those relating to agriculture, horticulture, or forestry); provision of information relating to the

extermination of harmful animals (excluding those relating to agriculture, horticulture, or forestry); rental of heating and cooling apparatus; brokerage or intermediary services for the rental of heating and cooling apparatus; provision of information relating to the rental of heating and cooling apparatus

Class 38

Telecommunications (excluding broadcasting); provision of information relating to telecommunications; provision of information relating to the provision of connection to communication networks; provision of information relating to electronic bulletin board communication; provision of information relating to data communication; broadcasting; provision of information relating to television broadcasting, cable television broadcasting, and radio broadcasting; rental of telephones, facsimile machines, and other communication devices; brokerage or intermediary services for the rental of telephones, facsimile machines, and other communication devices; provision of information relating to the rental of telephones, facsimile machines, and other communication devices; brokerage or intermediary services for communication network subscription contracts; brokerage or intermediary services for radio paging contracts; intermediary or brokerage services for cable radio broadcasting, cable television broadcasting, and other radio or television broadcast reception contracts; intermediary or brokerage services for satellite broadcast reception contracts

Class 39

Transport by railway; provision of information relating to timetables, fares, and reservation status for transport by railway; provision of information relating to railway transport, vehicle transport, ship transport, and aircraft transport; provision of information relating to consolidated transport; provision of information relating to the collection, tracking, and delivery of cargo for railway transport, vehicle transport, ship transport, and aircraft transport; transport by vehicle; agency, brokerage, or intermediary services for the reservation of rental cars and hired cars; provision of information relating to timetables, fares, and reservation status for transport by vehicle; provision of road information; transport by ship; provision of information relating to timetables, fares, and reservation status for transport by ship; transport by aircraft; provision of information relating to timetables, fares, and seat reservation information for aircraft; agency, brokerage, or intermediary services for contracts relating to transport; brokerage or intermediary services for the arrangement of collection vehicles for general waste and industrial waste; brokerage and intermediary services for the transport of cargo; provision of information relating to the intermediary and brokerage services for the transport of cargo; brokerage or intermediary services for the transport of articles received on deposit; brokerage or intermediary services for parcel delivery and other cargo; brokerage or intermediary services for parcel delivery; agency for moving and relocation; agency, brokerage, or intermediary services for moving and relocation; provision of information relating to agency, brokerage, or intermediary services for moving and relocation; agency, brokerage, or intermediary services for contracts relating to travel (excluding those relating to accommodation); provision of information relating to agency, brokerage, or intermediary services for contracts relating to travel (excluding those relating to accommodation); provision of travel information including provision of information relating to scenic and historic sites; agency for travel reservations; agency, brokerage, or intermediary services for the reservation and sale of railway tickets, ship boarding tickets, and airline boarding tickets; provision of information relating to the reservation and sale of railway tickets, ship boarding tickets, and airline boarding tickets; agency for passenger boarding procedures; agency for procedures to obtain airline tickets for persons who have lost or had their airline tickets stolen; warehousing storage of articles received on deposit; brokerage or intermediary services for the warehousing storage of articles received on deposit; provision of information relating to the warehousing storage of articles received on deposit; temporary safekeeping of personal belongings of others; brokerage or intermediary services for the temporary safekeeping of personal belongings of others; provision of information relating to the temporary safekeeping of personal belongings of others; provision of information relating to the supply of gas, electricity, and water; provision of warehouses; brokerage or intermediary services for the provision of trunk rooms; provision of information relating to the provision of trunk rooms; brokerage or intermediary services for the rental of warehouses; provision of information relating to the rental of warehouses; rental of cargo handling machines and apparatus; brokerage or intermediary services for the rental of cargo handling machines and apparatus; provision of information relating to

the rental of cargo handling machines and apparatus; rental of automobiles; brokerage or intermediary services for the rental of automobiles; provision of information relating to the rental of automobiles; rental of mechanical parking systems; brokerage or intermediary services for the rental of mechanical parking systems; provision of information relating to the rental of mechanical parking systems; brokerage or intermediary services for the rental of coin-operated gates for parking; provision of information relating to the rental of coin-operated gates for parking; rental of safes; brokerage or intermediary services for the rental of safes; provision of information relating to the rental of safes; rental of household refrigerator-freezers; rental of household freezers; brokerage or intermediary services for the rental of refrigerators and freezers; provision of information relating to the rental of refrigerators and freezers; rental of refrigerating machines and apparatus; brokerage or intermediary services for the rental of refrigerating machines and apparatus; provision of information relating to the rental of refrigerating machines and apparatus; rental of gas station equipment (excluding that for the repair or servicing of automobiles); brokerage or intermediary services for the rental of gas station equipment (excluding that for the repair or servicing of automobiles); provision of information relating to the rental of gas station equipment (excluding that for the repair or servicing of automobiles); rental of automatic management lockers for parcel delivery; brokerage or intermediary services for the rental of automatic management lockers for parcel delivery; provision of information relating to the rental of automatic management lockers for parcel delivery

Class 40

Rental of metalworking machines and apparatus; rental of water purification apparatus; rental of waste compaction apparatus; rental of waste crushing apparatus; printing; intermediary services for the printing of telephone cards; provision of information relating to intermediary services for the printing on telephone cards; provision of information relating to the duplication and processing of keys; brokerage or intermediary services for the manufacture of electric machines and apparatus on consignment; brokerage or intermediary services for the manufacture of telecommunication machines and apparatus on consignment; brokerage or intermediary services for the manufacture of electronic machines and apparatus on consignment; collection, sorting, and disposal of waste; brokerage or intermediary services for the rental of ozone generators; brokerage or intermediary services for the collection and sorting of general waste; brokerage for the disposal of general waste; brokerage or intermediary services for the collection and sorting of industrial waste; brokerage for the disposal of industrial waste; brokerage for the recycling of waste

Class 41

Sale of lottery tickets; agency, brokerage, or intermediary services for the sale of lottery tickets; provision of information relating to the sale of lottery tickets; instruction in arts, sports, or general knowledge; provision of information relating to educational institutions; provision of information relating to qualification examinations; planning, operation, or holding of seminars; provision of information relating to seminars; provision of electronic publications; provision of information relating to libraries, art museums, museums, zoos, and botanical gardens; screening, production, or distribution of movies; provision of information relating to the screening of movies, the performance of entertainment, the performance of plays, the performance of music, and other shows; provision of entertainment information and recreation information; planning, operation, or holding of sports shows; provision of information relating to the planning, operation, or holding of sports shows; planning, operation, or holding of shows (excluding those relating to shows of movies, entertainment, plays, and music performances, and shows of sports, horse racing, bicycle racing, boat racing, and auto racing); provision of information relating to competitions of radio-controlled model airplanes, helicopters, and other models; planning, operation, or holding of horse racing; provision of information relating to the planning, operation, holding of, or race results of horse racing; planning, operation, or holding of bicycle racing; provision of information relating to the planning, operation, holding of, or race results of bicycle racing; planning, operation, or holding of boat racing; provision of information relating to the planning, operation, holding of, or race results of boat racing; provision of audio or video studios; provision of information relating to the provision of audio or video studios; provision of sports facilities; brokerage or intermediary services for the provision of sports facilities; provision of information relating to the provision of sports facilities; provision of amusement facilities; brokerage or intermediary services for the provision of

amusement facilities and recreation facilities; provision of information relating to the provision of amusement facilities and recreation facilities; provision of facilities for movies, entertainment, plays, music, or educational training; provision of information relating to the provision of training facilities; arrangement of seats at show venues; agency, brokerage, or intermediary services for the arrangement and reservation of seats at show venues; provision of information relating to the arrangement and reservation status of seats at show venues; arrangement of ticket reservations for concerts, events, plays, sports, and the like, and provision of information on ticket reservation availability; agency for the reservation of golf tournament tickets; rental of television receivers; rental of radio receivers; provision of information relating to the rental of television receivers and radio receivers; brokerage or intermediary services for the rental of audio-frequency machines and apparatus and video-frequency machines and apparatus; rental of phonograph records or pre-recorded audio magnetic tapes; rental of pre-recorded video magnetic tapes; rental of pre-recorded audio recording media; brokerage or intermediary services for the rental of pre-recorded audio recording media; provision of information relating to the rental of pre-recorded audio recording media; rental of pre-recorded video recording media; brokerage or intermediary services for the rental of pre-recorded video recording media; provision of information relating to the rental of pre-recorded video recording media; rental of pre-recorded audio magnetic tapes, pre-recorded audio magnetic disks, pre-recorded audio magneto-optical disks, phonograph records, pre-recorded video magnetic tapes, pre-recorded video magnetic disks, and pre-recorded video magneto-optical disks, or brokerage or intermediary services for the rental thereof; provision of information relating to the rental of pre-recorded audio magnetic tapes, pre-recorded audio magnetic disks, pre-recorded audio magneto-optical disks, phonograph records, pre-recorded video magnetic tapes, pre-recorded video magnetic disks, and pre-recorded video magneto-optical disks; rental of amusement park machines and apparatus; provision of information relating to the rental of amusement park machines and apparatus; rental of cameras; rental of optical machines and apparatus; brokerage or intermediary services for the rental of cameras; brokerage or intermediary services for the rental of optical machines and apparatus; provision of information relating to the rental of cameras and optical machines and apparatus; provision of information relating to lottery tickets

Class 42

Provision of weather information; brokerage or intermediary services for the provision of weather information; provision of earthquake information; brokerage or intermediary services for the provision of earthquake information; design of buildings; surveying; brokerage or intermediary services for the design of buildings; provision of information relating to the design of buildings; design of fire alarms and other firefighting equipment; design of burglar alarms and other crime-prevention equipment; design of evacuation ladders and other evacuation equipment; design of other machines, devices, or apparatus (including parts thereof), or equipment composed of such machines and the like; brokerage or intermediary services for the design of fire alarms and other firefighting equipment; brokerage or intermediary services for the design of burglar alarms and other crime-prevention equipment; brokerage or intermediary services for the design of evacuation ladders and other evacuation equipment; brokerage or intermediary services for the design of other machines, devices, or apparatus (including parts thereof), or equipment composed of such machines and the like; guidance, advice, and provision of information relating to the design of fire alarms and other firefighting equipment; guidance, advice, and provision of information relating to the design of burglar alarms and other crime-prevention equipment; guidance, advice, and provision of information relating to the design of evacuation ladders and other evacuation equipment; guidance, advice, and provision of information relating to the design of other machines, devices, or apparatus (including parts thereof), or equipment composed of such machines and the like; design, creation, or maintenance of computer programs; brokerage or intermediary services for the design, creation, or maintenance of computer programs; provision of information relating to the design, creation, or maintenance of computer programs; provision of information relating to the design and rental of computer software and computer programs; provision of technical information relating to the fault recovery of computers (including central processing units and electronic circuits, magnetic disks, magnetic tapes, and other peripheral equipment storing computer programs) and information processing systems; provision of information relating to the design, creation, environment setup, installation, function expansion, addition, or maintenance of computer programs; provision of information relating to the expansion, modification, addition, or other updating of the functions of computer programs; agency for the encryption of computer data or for the identity

verification and certification of online users to third parties in computer transactions; agency for the online identity verification and certification of users to third parties on the Internet and the like; creation or maintenance of websites; brokerage or intermediary services for the creation or maintenance of websites; provision of information relating to the creation or maintenance of websites; creation or maintenance of homepages; brokerage or intermediary services for the creation or maintenance of homepages; provision of information relating to the creation or maintenance of homepages; advice or guidance relating to computer virus countermeasures; provision of information relating to computer viruses; fault diagnosis of computer programs and computer virus inspection; computer system auditing; diagnosis, design, and consulting relating to the security measures of computer communication networks; monitoring of unauthorized intrusion into computer communication networks, and design, creation, consulting, and provision of information for countermeasure programs; introduction and explanation relating to the performance and methods of operation of computers, automobiles, and other machines that require advanced expertise, skill, or experience for their accurate operation according to their intended use; provision of information relating to the performance and methods of operation of computers, automobiles, and other machines that require advanced expertise, skill, or experience for their accurate operation according to their intended use; brokerage or intermediary services for the introduction and explanation relating to the performance and methods of operation of computers, automobiles, and other machines that require advanced expertise, skill, or experience for their accurate operation according to their intended use; testing, inspection, or research of pharmaceuticals, cosmetics, or foods; provision of information relating to the testing, inspection, or research of pharmaceuticals, cosmetics, and foods; research relating to building construction or urban planning; testing or research relating to the prevention of pollution; testing or research relating to electricity; testing or research relating to civil engineering; brokerage or intermediary services for testing or research relating to electricity; testing or research relating to machines and apparatus; agency, brokerage, or intermediary services for applications for certificates issued by government and public offices; provision of information relating to the issuance of resident cards, family register transcripts, registry transcripts, and the like, and other procedures to public institutions; agency, brokerage, or intermediary services for applications for automobile inspections; agency, brokerage, or intermediary services for procedures relating to the change of ownership of automobiles; provision of information relating to trademarks; agency for procedures relating to social insurance, or provision of information relating thereto; rental of measuring instruments; brokerage or intermediary services for the rental of measuring machines and apparatus, analysis machines and apparatus, and other measuring machines and apparatus; rental of computers; provision of computer programs; brokerage or intermediary services for the rental of computers (including central processing units and electronic circuits, magnetic disks, magnetic tapes, and other peripheral equipment storing computer programs); provision of information relating to the rental of computers (including central processing units and electronic circuits, magnetic disks, magnetic tapes, and other peripheral equipment storing computer programs); brokerage or intermediary services for the rental of electronic machines and apparatus; provision of information relating to the rental of electronic machines and apparatus; rental of Internet servers; brokerage or intermediary services for the rental of Internet servers; provision of information relating to the rental of Internet servers

Class 43

Provision of accommodation; brokerage or intermediary services for contracts for the provision of accommodation; provision of information relating to the brokerage or intermediary services for contracts relating to the provision of accommodation; provision of food and drink; provision of information relating to restaurants; brokerage or intermediary services for restaurant reservations; childcare of infants at nursery schools; provision of information relating to nursery schools; care of the elderly; provision of information relating to the provision of care facilities, nursing facilities, and nursing-care facilities for the mentally and physically disabled and the intellectually disabled; provision of information relating to nursing care; rental of meeting rooms; rental of exhibition facilities; rental of showcases; brokerage or intermediary services for the rental of meeting rooms; provision of information relating to the rental of meeting rooms; provision of multipurpose halls and brokerage or intermediary services for contracts for the provision thereof; brokerage or intermediary services for the rental of exhibition facilities; provision of information relating to the rental of exhibition facilities; rental of curtains; rental of furniture; rental of wall

hangings; rental of rugs and carpets; brokerage or intermediary services for the rental of furniture; provision of information relating to the rental of furniture

Class 44
