Re: Letter of Support for Toei Animation Co., Ltd.'s Application for .anime

To Whom It May Concern:

A-1 Pictures Inc. ("A-1 Pictures") endorses Toei Animation Co., Ltd.'s ("Toei Animation") application to establish and operate the .anime top-level domain as a Community-Based gTLD for the anime community identified in Toei Animation's application.

A-1 Pictures is a Japanese corporation and a full member of The Association of Japanese Animations (AJA). A-1 Pictures is an anime production company that primarily produces television anime series and theatrical anime, while also handling the production of promotional videos and game-related video content, as well as the planning and creation of original characters.

The term 'anime' is used internationally to refer to Japanese-origin animation, the industry, and the works associated with it. A dedicated .anime top-level domain would provide a recognizable namespace for the community of companies, organizations, institutions, rights holders, distributors, and other entities connected to Japanese animation culture.

Toei Animation has communicated its intention to operate .anime for the benefit of the anime community identified in its application. A-1 Pictures understands that the proposed community registration policies are intended to ensure that registrations in .anime remain meaningfully connected to that community, including through eligibility and name-selection requirements designed to preserve the integrity, relevance, and trustworthiness of the .anime namespace.

A-1 Pictures considers Toei Animation to be an appropriate and credible steward of .anime. Toei Animation is a longstanding member of AJA and one of Japan's leading anime production companies, with extensive experience in the anime industry and a close connection to the community that .anime is intended to serve.

A-1 Pictures believes that Toei Animation's application for .anime is consistent with the interests of the anime community and with the continued development and global

promotion of anime culture. This letter is issued by A-1 Pictures through its duly authorized representative and reflects A-1 Pictures's support for Toei Animation's .anime application.

Sincerely,

清水 晃
