Re: Letter of Support for Toei Animation Co., Ltd.'s Application for .anime

To Whom It May Concern:

Shogakukan-Shueisha Productions Co., Ltd. (“Shogakukan-Shueisha Productions”) endorses Toei Animation Co., Ltd.'s (“Toei Animation”) application to establish and operate the .anime top-level domain as a Community-Based gTLD for the anime community identified in Toei Animation’s application.

Shogakukan-Shueisha Productions is a Japanese corporation and a full member of The Association of Japanese Animations (AJA). Shogakukan-Shueisha Productions is a comprehensive content company that, in addition to character-related businesses and the planning and production of visual content such as television programs and anime, also develops educational services centered on learning and childcare.

The term ‘anime’ is used internationally to refer to Japanese-origin animation, the industry, and the works associated with it. A dedicated .anime top-level domain would provide a recognizable namespace for the community of companies, organizations, institutions, rights holders, distributors, and other entities connected to Japanese animation culture.

Toei Animation has communicated its intention to operate .anime for the benefit of the anime community identified in its application. Shogakukan-Shueisha Productions understands that the proposed community registration policies are intended to ensure that registrations in .anime remain meaningfully connected to that community, including through eligibility and name-selection requirements designed to preserve the integrity, relevance, and trustworthiness of the .anime namespace.

Shogakukan-Shueisha Productions considers Toei Animation to be an appropriate and credible steward of .anime. Toei Animation is a longstanding member of AJA and one of Japan’s leading anime production companies, with extensive experience in the anime industry and a close connection to the community that .anime is intended to serve.

Shogakukan-Shueisha Productions believes that Toei Animation’s application for .anime is consistent with the interests of the anime community and with the continued development

and global promotion of anime culture. This letter is issued by Shogakukan-Shueisha Productions through its duly authorized representative and reflects Shogakukan-Shueisha Productions's support for Toei Animation's .anime application.

Sincerely,
