

CERTIFICATE OF TRADEMARK REGISTRATION

Registration No. 5246185

Translator's note

This is a translation of a Japanese Certificate of Trademark Registration (商標登録証)

issued by the Japan Patent Office, comprising the certificate page and one continuation sheet (続葉1).

Goods and service specifications are rendered in the standard English terminology of the Nice Classification where the Japanese term corresponds to a standard entry, and otherwise translated literally. Item separators in the original are preserved as commas.

Japanese era years are converted to the Western calendar (Heisei N = 1988+N). Dates are rendered month-first. The original itself prints the principal dates in both calendars; the bracketed English dates below are the JPO's own.
