This is to certify that the trademark is registered on the Register of the Japan Patent Office.

Commissioner, Japan Patent Office Tetsuhiro Hosono

[Official seal of the Commissioner, Japan Patent Office]

* In the original, the eighth item of Class 35 spans the sheet break: the certificate's face page ends mid-phrase and the attached sheet resumes it. The phrase is kept whole here, with the sheet break marked after it, because English word order does not permit the same split point.

* The Commissioner's name is romanised using its most common reading; no official English rendering is published.
