Translator's note on the original: the designated services of Class 41 are set out on the face of the certificate and continued on continuation sheet 1 (続葉1), which closes with 「以下余白」 (nothing follows). The single service 「そろばんの教授」 (instruction in abacus) is split across that sheet break in the original and is reproduced here as one item. The certificate records the registration as granted on 24 December 1999; a Japanese trademark right runs ten years and a certificate of registration records no subsequent renewal.
