## UNITED STATES PATENT OFFICE

Standard Oil Company of California, Wilmington,  
Del., and San Francisco, Calif.

Act of February 20, 1905

Application March 12, 1945, Serial No. 480,844

# CHEVRON

### STATEMENT

*To the Commissioner of Patents:*

Standard Oil Company of California, a corporation duly organized under the laws of the State of Delaware and having its principal office at 100 West Tenth Street, in the city of Wilmington, county of Newcastle, State of Delaware, and doing business at 225 Bush Street, San Francisco, State of California, has adopted and used the trade-mark shown in the accompanying drawing, for the following goods: MOTOR FUELS FOR USE IN INTERNAL COMBUSTION ENGINES, in Class 15, Oils and greases, and presents herewith five facsimiles showing the trade-mark as actually used by applicant upon the goods and requests that the same be registered in the United States Patent Office in accordance with the act of February 20, 1905. The trade-mark has been continuously used and applied to said goods in the applicant's business since February 17, 1945. The trade-mark is applied or affixed to the recep-

tacles containing the goods by placing thereon a printed label on which the trade-mark is shown or by stencil which stamps and marks said trade-mark thereon. Applicant is the owner of registration No. 364,683, dated February 14, 1939.

The undersigned hereby appoints J. N. Adams (Reg. No. 13,147) and Stanley Sharp (Reg. No. 13,469), both of 200 Bush Street, San Francisco 4, California, its attorneys, with full powers of substitution and revocation, said attorneys or either of them to have full power to prosecute this application for registration, to make alterations and amendments therein; to sign the drawing, to receive the certificate, and to transact all business in the Patent Office connected therewith.

STANDARD OIL COMPANY  
OF CALIFORNIA,

By E. J. McCLANAHAN,  
Vice President.

## TRADEMARK LICENSE AGREEMENT

THIS TRADEMARK LICENSE AGREEMENT (“Agreement”), is made and entered into between Chevron Intellectual Property LLC, a Delaware limited liability company, having its principal place of business at 1400 Smith Street, Houston TX 77002 (“Licensor”) and Chevron Domain Name LLC, 5001 Executive Parkway, Suite 200, San Ramon, CA 94583 (“Licensee”).

### WITNESSETH:

WHEREAS, Licensor is the owner of all right, title and interest in various trademarks that are registered and currently in force in the United States.

WHEREAS, Chevron Corporation directly or indirectly owns 100% of the equity of Licensee;

WHEREAS, as of the date Licensor became the owner of all right, title and interest in the Marks, Licensor has granted to Licensee a license to use and sublicense Licensor’s registered marks that are identified in Exhibit A (hereinafter, the “Marks”) throughout the world.

WHEREAS, Licensor and Licensee now wish to formalize their existing and on-going trademark license agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants, agreements and obligations set forth herein, the parties hereto agree as follows:

1. Grant of License. Effective as of the date Licensor became the owner of all right, title and interest in the Marks, Licensor hereby grants and hereby confirms the grant to Licensee, during the Term (as defined below), the non-exclusive rights to use the Marks in the Territory, together with the rights to manufacture, import, sell, market and distribute goods or services that bear, utilize or incorporate the Marks, together with the right to sub-license such rights.
2. Ownership. Licensee hereby acknowledges that the Marks together with the goodwill of the business symbolized thereby are the sole and exclusive property of Licensor, that Licensee derives no rights in the mark by virtue of the agreement between the parties except as provided herein and that all use of the Marks by Licensee shall inure to the exclusive benefit of Licensor.
3. Royalty. The license granted hereunder shall be royalty-free. Licensee and/or its sub-licensees shall be obligated to pay for the costs of advertising and marketing goods and services offered under the Marks in the Territory.

4. Term. The term of the license granted hereunder (the “Term”) shall be perpetual (subject to the parties’ right to terminate the license as described in Paragraph 5 below) so long as Chevron Corporation directly or indirectly owns 100% of the equity of Licensee.
5. Termination. On no less than two (2) months’ written notice, Licensor may terminate this Agreement if Licensee is in breach of any obligation set forth herein and such breach has not been cured prior to the expiration of such two (2) month period. Any notice of termination shall specify in detail the basis for such claim of breach. Licensor may terminate this Agreement in its entirety on less than two (2) months’ written notice if and when Chevron Corporation no longer directly or indirectly owns 100% of the equity of Licensee.
6. Effect of Termination. Upon termination of this Agreement, all rights granted herein to Licensee pursuant to Paragraph 1 shall terminate, and Licensee shall immediately cease to exploit or use the Marks and shall cease to manufacture, import, sell, market and distribute any goods or services that utilize or incorporate the Marks. Upon termination of this Agreement, any sublicenses respecting the Marks issued by Licensee shall automatically terminate.
7. Quality Control. Licensee acknowledges the importance to Licensor of its reputation and goodwill and to the public of maintaining high, uniform standards of quality in the goods and services sold under the Marks. Licensee therefore agrees on its own behalf and agrees to procure of all sub-licensees of the Marks to maintain a high standard of quality and to follow any specifications or standards of Licensor relating to the type, nature or quality of the goods or services sold or provided under the Marks. To determine whether Licensee is complying with this Agreement and the quality controls set forth herein, upon giving Licensee reasonable notice, Licensor shall have the right at any time during business hours to inspect the premises of any plant or other facility where goods or services bearing the Marks are manufactured, packaged, labeled or stored. Licensee expressly agrees that it shall provide for said right of inspection in any sublicense agreements involving the Marks.
8. Form of Use. During the Term, Licensee agrees to use the Marks only in a manner consistent with good trademark practice and as instructed by Licensor from time to time, with all appropriate legends, markings and notices.
9. Infringement. Licensee shall immediately notify Licensor of any apparent infringement of or challenge to Licensee’s use of the Marks, or any claim by any person of any rights in the Marks. Licensor may, but is not

required to, take such action as it deems appropriate in response to such alleged infringement or challenge. Licensee shall take no legal action in response to such alleged infringement or challenge without Licensor's prior written approval. However, said consent shall in no event be relied upon by Licensee as any representation by Licensor that applicable laws permit Licensee to take legal action as a licensee of the Marks. Licensor may, but is not required to, control any litigation and other proceeding arising out of any such infringement, challenge or claim involving the Marks. Licensee agrees to execute any and all instruments and documents, and to do such acts and things as may, in the opinion of Licensor, be reasonably necessary or advisable to protect and maintain the interests of Licensor in any such litigation or other proceeding. If Licensee takes legal action pursuant to Licensor's prior written approval, any settlement proceeds, damages or other net recovery shall be for the sole benefit and account of Licensee.

10. Product Liability. Licensee agrees to indemnify and hold harmless Licensor from and against any and all claims, demands, or causes of action for loss, damage or liability of any kind ("Claims") resulting from the manufacture, sale, transportation or use of the products manufactured or sold by Licensee or any sublicense of Licensee, except any Claims that relate to rights in the Marks. Licensee will pay any costs, damages and attorneys' fees finally awarded against Licensor in any such action or in settlement thereof provided that Licensor notifies Licensee promptly in writing of such Claim and Licensee is able to participate in the defense fully and agrees to any settlement of such Claim.
11. Notices and Other Communications. Any notice or other communication required, contemplated or permitted by this Agreement by any party, shall be in writing and shall be either personally delivered, sent by fax or sent by overnight courier for next business day delivery at such addresses as the parties hereto shall from time to time designate by written notice delivered to the other in accordance herewith.
12. Assignment and Binding Effect. This Agreement and/or the rights licensed herein are personal to Licensee and may not be voluntarily or involuntarily assigned, sold, pledged, hypothecated, or otherwise transferred by Licensee without the prior written approval by Licensor. This Agreement may be assigned by Licensor. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective assigns and successors in interest.
13. Waiver. No course of dealing and/or delay by either party in exercising any right, power, or remedy shall operate as a waiver thereof or otherwise prejudice its rights, powers or remedies. No waiver actually made by any

party of any particular breach of the terms of this Agreement by the other shall be a waiver of any other breach or term hereof.

14. Severability. The invalidity, illegality or unenforceability of any provision hereof shall not affect, impair, invalidate or render unenforceable this Agreement or any other provision hereof.
15. Further Assurance. The parties hereto each agree that they will, after the date hereof, from time to time and without further consideration therefor, execute and deliver such further instruments and take such further actions as may be required to implement the transactions contemplated hereby.
16. Governing Law. Except to the extent governed by the Lanham Act, 15 U.S.C. §1051 et seq., this Agreement shall be governed by and construed in accordance with the laws of the State of California, United States of America, applicable to agreements made and to be performed wholly within such jurisdiction, without regard to the conflicts of law principles thereof.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed the day and year first written above.
