

CERTIFICATE OF TRADEMARK REGISTRATION

Registration No. 6380223

Translator's note

This is a translation of a Japanese Certificate of Trademark Registration

(商標登録証) issued by the Japan Patent Office, together with its annexed schedule of

designated goods and services.

The certificate consists of one certificate page followed by **53 continuation sheets**

(続葉1 to 続葉53) setting out the designated goods and services by Nice class. The

registration covers classes spanning **Class 3 through Class 45**.

Class headings are given as they appear in the original (第N類 = Class N). Goods and

service specifications are rendered in the standard English terminology of the Nice

Classification where the Japanese term corresponds to a standard entry, and otherwise

translated literally. Item separators in the original (、 and ,) are preserved as commas.

Japanese era years are converted to the Western calendar (Reiwa N = 2018+N,

Heisei N = 1988+N). All dates are rendered month-first. The original itself prints the

principal dates in both calendars; those bracketed English dates are the JPO's own.
