

SUPPLEMENTAL STATEMENT IN SUPPORT OF APPLICATION

To the Evaluation Panel,

The Applicant submits this statement to formally notify the Panel of a change in its legal corporate name and to clarify the effect of that change upon the financial documentation furnished in support of this application.

1. **Effective date of the name change.**

The Applicant's legal corporate name was formally and effectively changed on Atos Group — 22 May 2026, as duly recorded with the competent commercial register.

2. **Nature of the change — renaming only.**

The Applicant hereby confirms that the foregoing constitutes a change of corporate name only. The entity heretofore known as ATOS SE now bears the name ATOS GROUP. For the avoidance of doubt, this is a renaming of one and the same legal entity and does not constitute, arise from, or otherwise involve any acquisition, merger, change of control, transfer of assets, insolvency, reorganization, or corporate restructuring. The legal personality, registration number, fiscal continuity, and all rights, obligations, assets, and liabilities of the entity subsist unchanged and uninterrupted; only the denomination of the entity has been amended.

3. **Continuity of financial documentation.**

Accordingly, any financial statements, audited accounts, balance sheets, funding evidence, or other financial records submitted in support of this application that bear the name ATOS SE pertain to, and accurately represent the financial position of, the same legal entity now named ATOS GROUP. No event affecting the financial substance, capitalization, or continuity of the Applicant has occurred by reason of the name change, and such records remain valid and reliable for the Panel's evaluation.

4. **Status of supplemental trademark updates.**

The Applicant further advises that the corresponding updates to its trademark portfolio reflecting the new corporate name (recordals of the name change against the relevant registrations) remain pending before the applicable trademark offices. These supplemental updates have been initiated and are in progress; pending their completion and publication, certain trademark and related records may continue to display the former name ATOS SE.

5. **Provision of updated documentation.**

Updated official documentation evidencing the name change — including, without limitation, the updated extract from the competent commercial/companies register and any corresponding public-office records — will be furnished to the Panel as soon as the same becomes available from the relevant public authorities. The Applicant undertakes to supplement this application with such documentation promptly upon its issuance.

6. **Further clarification.**

All references to ATOS SE appearing in any materials, financial or otherwise, previously submitted in connection with this application shall be construed as references to the same entity now named ATOS GROUP. The Applicant respectfully requests that evaluation of the application proceed without interruption on the foregoing basis and remains at the Panel's disposal to provide any further information or documentation as may be required.

Executed and signed for and on behalf of ATOS GROUP.
