Dear Sir or Madam,

On behalf of the Central Bank of Ireland, we are writing to express our support for the European Central Bank's application for the .EURO Top-Level Domain.

We support the ECB's leadership in establishing a trusted and clearly governed Internet space operated for, and representing, the euro area and its institutions.

Securing the .EURO Top-Level Domain will support the euro area in addressing the security, trust, and technological developments associated with the evolution of the Domain Name System, while reinforcing confidence in digital communications related to the euro.

We believe that a .EURO domain operated under the authority of the ECB will contribute to a secure, authoritative, and reliable namespace for euro area institutions and stakeholders, and we consider it essential that it is operated in a manner that ensures a high level of security, integrity, and trust for all users.

We appreciate the opportunity to express our support for this initiative. Please do not hesitate to contact us should you require any further information.

Yours sincerely,

Ray Farrelly
