Re: .stripe gTLD Application — Applicant Entity Name

Dear ICANN:

In connection with the enclosed application materials, we wish to note that Stripe, Inc. converted to Stripe, LLC by operation of law on January 3, 2026. Stripe, LLC is the same legal entity and successor to all rights, obligations, and assets previously held by Stripe, Inc., including all intellectual property.

Certain documents submitted with this application reference the prior "Stripe, Inc." name because they predate the conversion. Specifically:

1. The financial statements prepared by Ernst & Young are dated prior to the conversion and accordingly reference Stripe, Inc.
2. The U.S. trademark registration certificate for STRIPE (Reg. No. 6,318,006) reflects Stripe, Inc. as the owner of record at the time of issuance. The entity conversion has been recorded with the U.S. Patent and Trademark Office at Reel 009232, Frame 0065, as evidenced by the attached Assignment Abstract of Title.

The Certificate of Conversion evidencing the statutory conversion has been submitted with this application.

Please let us know if any additional documentation is required.

Sincerely,

Signed by:
