

At a Glance

Solana Foundation Delegation Program

How to Apply

Goals

- 1 | Decentralization & Performance**
Maximize the decentralization, reliability, and performance of the Solana network
- 2 | Diverse Stake Sources**
Maximize the number of validators who have diverse sources of stake
- 3 | Sustainable Testnet**
Sustain a Testnet that is representative of Mainnet and useful for testing

Stats as of Epoch 1003

Validators receiving foundation stake

364

51% of total validators

Total Delegation Program stake

20.95m SOL

4% of total staked SOL

SFDP delegates to nodes in

59 Unique locations

SFDP delegates to nodes in

25 Countries

SFDP Accounts
