The diagram illustrates a 32-bit bus system with four 8-bit components. Each component is represented by a horizontal row of 8 squares. The components are labeled 01, 03, 04, and 06. The bus is shown as a central horizontal line with vertical connections to each component. The components are arranged in a 2x2 grid, with 01 and 03 on the left, and 04 and 06 on the right. The bus is represented by a central horizontal line with vertical connections to each component.
