

Sui Overflow 2025

Vote for your favorite shortlisted projects in Sui Overflow 2025!

Your voice matters: Each main track's scoring includes a community vote component, which will play a factor in deciding the winning projects per track.

Plus, there's a **\$25,000 Community Award prize pool**, sponsored by HIPPO. The prize pool will be distributed evenly among the voters whose voting choices come closest to the final hackathon results!

How voting works:

Sui Overflow 2025

Users can vote by selecting their favorite projects across all nine tracks using this portal. Votes will be recorded on-chain.

The Community Award prize pool will be given to voters whose choices come closest to the final winners of Sui Overflow 2025.

Step 01

Connect your wallet

Step 02

The portal will verify that your connect wallet is eligible for voting

Step 03

Once verified, you can vote for your favorite project in each of the nine hackathon tracks

Step 04

Submit your vote on-chain, which will be encrypted and kept confidential to others

Sui Overflow 2025

Thanks to our community award
