

SELF-CERTIFICATION DOCUMENT - Security Policy and Planning

To: Internet Corporation for Assigned Names and Numbers (ICANN)

Applicant Entity Name: Kenya Network Information Centre

Applied-for gTLD String (s): Safari

Date of Submission: 31st July 2026

Affirmations

The undersigned officer(s) hereby certify and affirm that, as of the date of submission:

- **SC5.1-1.1:** The applying entity will appropriately protect confidentiality of data and prevent unauthorized access to data and services.
- **SC5.1-1.2:** The applying entity will maintain a mature, appropriately funded and staffed security program, following a recognized, modern security framework based on risk management (such as the ISO27000 series, COBIT, HITRUST CSF, legally required security frameworks, or equivalent). The security program must be in place prior to delegation, and exist through at least the period of the registry agreement.
- **SC5.1-1.3:** The applying entity is aware of and has designed its systems and business to comply with the relevant privacy and security regulations for all countries in which it operates.
