Self-Certification Question Q5.1-1

We, Palantir Technologies Inc. (“Palantir”), as the applicant for two top-level domains, hereby represent and warrant the following:

1. Palantir will appropriately protect confidentiality of data and prevent unauthorized access to data and services.
2. Palantir will maintain a mature, appropriately funded and staffed security Program, following a recognized, modern security framework based on risk management (such as the ISO27000 series, COBIT, HITRUST CSF, legally required security frameworks, or equivalent). The security Program must be in place prior to delegation, and exist through at least the period of the Base RA.
3. Palantir is aware of and has designed its systems and business to comply with the relevant privacy and security regulations for all countries in which it operates.

Yours,
