SELF CERTIFICATION STATEMENT

We, the undersigned, acting for and on behalf of PT Konek Bali Semesta, hereby certify, represent, and warrant that:

- PT Konek Bali Semesta will, no later than delegation of the Top Level Domain (TLD), establish a dedicated abuse point of contact responsible for addressing matters requiring expedited attention and providing a timely response to abuse complaints concerning any name registered in the TLD.
- PT Konek Bali Semesta will, no later than delegation of the TLD, establish, publish, and provide to ICANN the location of a mechanism for members of the public to submit reports of abuse in accordance with the current obligations of the Base RA and any Consensus Policies.
- PT Konek Bali Semesta has developed proposed measures for removal of orphan glue records for names removed from the zone when provided with evidence in written form that the glue is present in connection with malicious conduct (see Specification 6).
- PT Konek Bali Semesta has or will have at the time of delegation, established policies for handling complaints regarding abuse. Such policies are to be maintained and posted publicly so that anyone can review the policies via the Internet and any other means deemed appropriate by PT Konek Bali Semesta. PT Konek Bali Semesta policies, at a minimum, should contain appropriate confirmation of receipt of the abuse report, the process of review of the report, and actions that will be taken if PT Konek Bali Semesta confirms the report is legitimate.
- PT Konek Bali Semesta understands that DNS Abuse is Phishing, Malware, Botnets, Pharming and Spam (when used to deliver other forms of DNS Abuse). PT Konek Bali Semesta understands and is prepared to contribute to the mitigation or disruption of DNS Abuse in domains in the TLD zone.
- PT Konek Bali Semesta abuse response capabilities are resourced appropriately to ensure a timely and adequate investigation and response to reports of DNS Abuse. This includes capabilities to receive and evaluate evidence of DNS Abuse in reports, and to take action to stop or disrupt the DNS Abuse.
