RE: **SELF-CERTIFICATION STATEMENT - AGB Q220. Q5.1-1**
ICANN New gTLD Program — 2026 Round

This Self-Certification is provided by Momentous Corporation ("the applying entity") in connection with its application for new generic Top-Level Domain ("gTLD") submitted during the 2026 Round of the New gTLD Program.

Momentous Corporation hereby represents and warrants the following:

SC5.1-1.1 -The applying entity will appropriately protect confidentiality of data and prevent unauthorized access to data and services.

SC5.1-1.2 - The applying entity will maintain a mature, appropriately funded and staffed security program, following a recognized, modern security framework based on risk management (such as the ISO27000 series, COBIT, HITRUST CSF, legally required security frameworks, or equivalent). The security program must be in place prior to delegation, and exist through at least the period of the registry agreement.

SC5.1-1.3 - The applying entity is aware of and has designed its systems and business to comply with the relevant privacy and security regulations for all countries in which it operates.

The undersigned certifies that the above statements are true, complete, and accurate as of the submission date of the application.
