

SELF-CERTIFICATION — SECURITY POLICY AND PLANNING

Applying Entity: HOSTINGER, UAB, a limited liability company organized under the laws of the Republic of Lithuania, legal entity code 302710386 (the **Applying Entity**).

In connection with the Applying Entity's applications for new generic top-level domains submitted in the New gTLD Program: 2026 Round, the undersigned officer of the Applying Entity hereby represents and warrants the following statements:

SC5.1-1.1

The Applying Entity will appropriately protect confidentiality of data and prevent unauthorized access to data and services.

SC5.1-1.2

The Applying Entity will maintain a mature, appropriately funded and staffed security program, following a recognized, modern security framework based on risk management (such as the ISO27000 series, COBIT, HITRUST CSF, legally required security frameworks, or equivalent). The security program must be in place prior to delegation, and exist through at least the period of the registry agreement.

SC5.1-1.3

The Applying Entity is aware of and has designed its systems and business to comply with the relevant privacy and security regulations for all countries in which it operates.

For and on behalf of the Applying Entity, HOSTINGER, UAB:
