Self-Certification Document (Question Q4.2-1)

Applying Entity: 17161573 Canada Inc.

Jurisdiction of Incorporation/Formation: Canada

Registered Office Location: Yukon Territory, Canada

Qualified Parent Company (QPE): None

Certification Statements

The undersigned, being the Sole Shareholder and a Director of **17161573 Canada Inc.**, hereby represents and warrants the following:

SC4.2-1.1 — The applying entity and/or a QPE will fund the startup and long-term operation of all applied-for gTLD strings and (if applicable) currently operated gTLDs of a QPE.

SC4.2-1.3 — The applying entity and/or its officers are bound by law in its jurisdiction to represent financial statements accurately and the applying entity is in good standing in that jurisdiction.

Statement Regarding Inability to Self-Certify

SC4.2-1.2 — The applying entity or QPE has at a minimum of US\$50,000 plus 25% of the application base fee for each applied-for gTLD string in Cash and Cash Equivalents on the balance sheet of the provided financial statements, up to a maximum of US\$300,000, designated to support the startup and operation of all of the applying entity's applied-for gTLD strings.

The applying entity, 17161573 Canada Inc., is unable to self-certify SC4.2-1.2 for the following reason(s):

- 17161573 Canada Inc. was incorporated specifically for the purpose of applying to ICANN's Application Support Program (ASP) and gTLD program. No commercial operations have been conducted prior to this application.
- The applying entity was issued notification of qualification for the ASP on August 7, 2026. The gTLD application window closes on August 12, 2026.

- The sole shareholder possesses sufficient funds to satisfy the SC4.2-1.2 requirement. However, these funds were deliberately not transferred to the corporate account prior to ASP qualification for the following reasons:
 - Transferring capital into the corporation prior to ASP approval would have triggered additional corporate filing obligations and associated costs for the fiscal year, with no guarantee of program acceptance or cost recovery.
 - It was financially prudent to await confirmation of ASP qualification before committing capital to the newly formed entity.
- Following ASP qualification on August 7, 2026, the timeframe remaining to complete the fund transfer, generate corresponding financial statements, and append them to the application (closing August 12, 2026) is insufficient.
- The sole shareholder is prepared to transfer the required funds into the corporate account as soon as is practicable under applicable banking and settlement procedures upon request or as a condition of application acceptance.
