Self-Certification: Financial

[Mempool Holdings, S.A. de C.V.] (hereafter, "the applying entity") hereby self-certifies the following matters.

SC4.2-1.1

The applying entity and/or a QPE will fund the startup and long-term operation of all applied-for gTLD strings and (if applicable) currently operated gTLDs of a QPE.

SC4.2-1.2

The applying entity or QPE has at a minimum of USD 50,000 plus 25% of the application base fee for each applied-for gTLD string in Cash and Cash Equivalents on the balance sheet of the provided financial statements, up to a maximum of USD 300,000, designated to support the startup and operation of all of the applying entity's applied-for gTLD strings.

SC4.2-1.3

The applying entity and/or its officers are bound by law in its jurisdiction to represent financial statements accurately and the applying entity is in good standing in that jurisdiction.

Explanatory Statement Accompanying the Self-Certification (Q4.2-1)

Applying entity: Mempool Holdings, S.A. de C.V. — applied-for string: .mempool

This statement is provided pursuant to Instruction 4 of Question Q4.2-1, to explain the basis on which the applying entity addresses the self-certification statements.

SC4.2-1.1 (funding commitment). Certified. The applying entity and its parent will fund the startup and long-term operation of the applied-for string. Wiz & Associates, S.A. de C.V. holds 1,301 of the applying entity's 1,302 common shares, a 56.57% interest in its total share capital (shareholding structure certification dated 9 June 2026, filed with this application), and has designated funding for this registry from its own liquid resources: USD 6,780,000 received in full in January 2026 from the sale of the applying entity's Class A preferred shares (financial statements, Note 11), held in bitcoin, which is legal tender in El Salvador.

SC4.2-1.2 (cash on the balance sheet of the provided statements). The applying entity cannot certify this statement in its literal terms within the submission window, for a timing reason it explains rather than obscures. The applying entity was constituted on 14 November 2025; its own first financial statements are in preparation and were not completed by a third-party accounting firm before the close of the submission window. The financial statements provided with this application are those of its parent, Wiz & Associates, S.A. de C.V., compiled by AM Professional Consulting, S.A. de C.V. under ISRS 4410 and signed on 10 August 2026. The Guidebook provides that parent statements serve as Qualified Parent Statements when audited; the parent's statements are compiled, and, in light of the group's short operating history, the applying entity provides in place of an audit the most rigorous financial presentation available to it: the parent's statements compiled by an independent accounting firm under ISRS 4410, supported by the bank certification described below, presented so as to give the evaluator the fullest and most accurate view of the resources supporting this application. The substance the requirement protects is present and documented: the parent's balance sheet records USD 6,780,000 in realized, unencumbered liquid resources (the year-end offsetting advance was extinguished on completion of the sale on 5 January 2026 — Note 11), exceeding the USD 106,750 requirement for this application by more than sixty times. A bank balance certificate designated by the applying entity in this application shows an average quarterly balance of USD 171,748.31, held at Truxton Trust Company since April 2022 in an account in the name of Mempool Space LLC; that balance alone exceeds the USD 106,750 requirement for this application. The applying entity's registered corporate purpose, per the extracted certification of the Registry of Commerce filed with this application, expressly includes the operation of the mempool.space website as an official instance of the Mempool open-source project. An engagement for the applying entity's own stub-period statements has been requested. The applying entity will provide its own financial statements, and interim statements evidencing designated cash, in response to any clarifying question or at the evaluator's direction.

SC4.2-1.3 (accuracy and good standing). Certified. The applying entity is bound by the laws of El Salvador to represent financial statements accurately and is in good standing in its

jurisdiction: constituted by public deed on 14 November 2025 and registered in the Registro de Comercio; its registrations, filings and obligations are current.
