SELF-CERTIFICATION DECLARATION

ICANN New gTLD Program; Applicant Guidebook Question Q221, Q5.2-1

Applicant: Evolving Petroleum Holdings, a limited liability company organized and existing under the laws of Texas, US, with its principal place of business at 12828 Willow Centre Dr Ste D, 77066 Houston, Texas, US (the "Applicant")

Applied-for gTLD string: .OIL

Applicant ID: EPH2629T

The undersigned, Randy Sendall, being the CEO and Founder of the Applicant and duly authorized to execute this self-certification on its behalf, hereby certifies to the Internet Corporation for Assigned Names and Numbers ("ICANN"), in connection with the Applicant's application for the applied-for gTLD string identified above under the ICANN New gTLD Program, that the Applicant represents and warrants as follows:

- SC5.2-1.1 The Applicant will, no later than delegation of the Top Level Domain ("TLD"), establish a dedicated abuse point of contact responsible for addressing matters requiring expedited attention and providing a timely response to abuse complaints concerning any name registered in the TLD.
- SC5.2-1.2 The Applicant will, no later than delegation of the TLD, establish, publish, and provide to ICANN the location of a mechanism for members of the public to submit reports of abuse in accordance with the current obligations of the Base Registry Agreement ("Base RA") and any Consensus Policies.
- SC5.2-1.3 The Applicant has developed proposed measures for the removal of orphan glue records for names removed from the zone when provided with evidence in written form that the glue is present in connection with malicious conduct (see Specification 6).
- SC5.2-1.4 The Applicant has, or will have at the time of delegation, established policies for handling complaints regarding abuse. Such policies are to be maintained and posted publicly so that anyone can review the policies via the Internet and any other means deemed appropriate by the Applicant. The Applicant's policies at a minimum contain appropriate confirmation of the receipt of the abuse report, the process of review of the report, and the actions that will be taken if the Applicant confirms the report is legitimate.
- SC5.2-1.5 The Applicant understands that DNS Abuse is Phishing, Malware, Botnets, Pharming and Spam (when used to deliver other forms of DNS Abuse). The Applicant understands and is prepared to contribute to the mitigation or disruption of DNS Abuse in domains in the TLD zone.

- SC5.2-1.6 The Applicant's abuse response capabilities are resourced appropriately to ensure a timely and adequate investigation of, and response to, reports of DNS Abuse. This includes capabilities to receive and evaluate evidence of DNS Abuse in reports, and to take action to stop or disrupt the DNS Abuse.
- SC5.2-1.7 The Applicant is prepared to conduct periodic scans of its zone to identify if domains are being used to perpetrate DNS Abuse, and to maintain statistical reports of the scans, the findings, and the actions taken.

The undersigned further certifies that he is duly authorized to make this self-certification on behalf of the Applicant and that the representations and warranties set out above are true and accurate as of the date set forth below.
