Government Financial Self-Certification

ICANN New gTLD Application

The European Central Bank ("ECB"), as the applying entity for the applied-for gTLD string(s), hereby provides the following self-certification in support of its application submitted to the Internet Corporation for Assigned Names and Numbers ("ICANN").

SC1.1-1.1

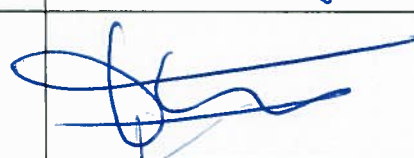

That the applying entity is a recognized intergovernmental organization with relevant authorization for its application(s) for applied-for gTLD string(s).

SC1.1-1.2

That the applying entity commits to the long-term funding required to operate all of the existing gTLDs (if applicable) and newly applied-for gTLD string(s) of the applying entity.

Authorisation

This self-certification is provided on behalf of the European Central Bank by an authorised officer.
