Confirmation of Existing gTLDs – Applying Entity and Affiliates

1. Applying Entity: European Central Bank

The European Central Bank confirms that it does not own, operate, or hold any existing generic Top-Level Domains (gTLDs).

2. Affiliated Entities

For the purposes of this application, affiliated entities are those that control, are controlled by, or are under common control with the applying entity.

The European Central Bank confirms that, following a review of its affiliated entities, none of its affiliated entities own, operate, or hold any existing generic Top-Level Domains (gTLDs).

3. Confirmation

Accordingly, the applying entity confirms that:

Neither the European Central Bank nor any of its affiliated entities have any existing gTLDs.
