

Applicant Entity: Meditative Mind PTY LTD

ABN: 75 628 629 854

Date: 30 June 2026

To the Internet Corporation for Assigned Names and Numbers (ICANN):

I, Dilpreet Singh Bhatia, in my capacity as Director of Meditative Mind PTY LTD (the "Applying Entity"), am duly authorized to legally bind the Applying Entity.

In relation to our applications for new generic Top-Level Domains (gTLDs), I hereby certify, represent, and warrant the following on behalf of Meditative Mind PTY LTD:

1. Data Protection and Access Control (SC5.1-1.1)

The Applying Entity, operating in conjunction with our contracted Registry Service Provider (SIDN), will appropriately protect the confidentiality of data and strictly prevent unauthorized access to registry data and critical backend services.

2. Mature Security Program (SC5.1-1.2)

The Applying Entity will maintain a mature, appropriately funded, and staffed security program. This security program follows a recognized, modern security framework based on risk management, specifically aligning with the ISO 27000 series or equivalent certifications maintained by our infrastructure partner and RSP. I warrant that this comprehensive security program will be fully implemented and in place prior to the delegation of the applied-for strings, and it will be maintained continuously through at least the entire period of the Registry Agreement.

3. Regulatory Privacy and Security Compliance (SC5.1-1.3)

The Applying Entity is fully aware of its regulatory obligations and has explicitly designed its systems, business practices, and RSP agreements to comply with the relevant privacy and security regulations for all countries in which it operates.

By signing below, I certify that these representations and warranties are accurate and binding.
