Legal Affairs Department

Lausanne, 20 July 2026

We, Mariam Mahdavi and Emre Kurtoglu, Director of Legal Affairs and CEO of the International Olympic Committee respectively, provide this self-certification document to represent and warrant the following:

The applying entity (International Olympic Committee) will appropriately protect confidentiality of data and prevent unauthorised access to data and services.

The applying entity (International Olympic Committee) will maintain a mature, appropriately funded and staffed security Program, following a recognised, modern security framework based on risk management (such as the ISO27000 series, COBIT, HITRUST CSF, legally required security frameworks, or equivalent). The security Program must be in place prior to delegation, and exist through at least the period of the Base RA.

The applying entity (International Olympic Committee) is aware of and has designed its systems and business to comply with the relevant privacy and security regulations for all countries in which it operates.

We affirm that all statements provided herein are true and correct.
